2021-01-02	21SP	TRUSTEE SCHOLARSHIP	0.00	13500.00	-586.00

**Important Information**

**Credits/Negative Balances** - Please note that a balance amount surrounded by parentheses "(" or a "-" represents a credit on your account and no payment is due. A credit on your account means you have paid more than you owe the university. This credit balance can be utilized in a future term or requested to be refunded to your student or authorized user.

**Pending Financial Aid** - Pending financial aid on your account for both the fall and spring term means that you may have an outstanding requirement to complete before the aid posts to charges on your account. **ACT TODAY by logging-in to MySU > Financial Aid-Loans, Grants > MyAid** to review and complete any applicable outstanding financial aid requirements. Please contact [SFS@susqu.edu](mailto:SFS@susqu.edu) with any questions.

**Lots of extra, great information about the student account.**
